Tur 2X - Vehicle mounts two side-by-side turrets. Each houses a single weapon and each is a one man turret. Treat each as having a TC.

Roll from front or rear to see which one is hit. From side assume only one can be hit.

n^m - n is the track basis from the side. If m is penetrated then treat as hull and track.

'n\m' - either n or m is the case, but not both.

'^' symbol for 'and'.

'\' symbol for 'or'.
